

## ■ Writing モデル

Hello, everyone. I want to introduce our special guest today! His name is Ohtani Shohei.

He is a major league baseball player. He can hit well. He can pitch well, too. He is very popular all over the world. He is very polite. He always sets a high goal, and he tries his best.

I want to be a positive person like him.

Now, here he is! Please welcome him to the studio!
