

Tina and Eri are looking at the photos in the digital camera on the Shinkansen to Hiroshima:

Tina: This is the sunset in Kyoto. It was beautiful.

Eri: Do you have the photos from the tea ceremony?

Tina: Yes.

Eri: Show me.

Tina: I enjoyed the tea ceremony very much. It was so elegant.

Eri: Yes, and the sweets were delicious.

Tina: But I don't think Hajin enjoyed it very much.

Eri: Why?

Tina: Look at Hajin's face. He doesn't look happy at all.

Eri: I know! I think his feet were asleep. Poor Hajin.
