

In the Shinkansen, on the way home:

Hajin: I don't want to go back yet. I want to travel around Japan more.

Kota: Yes, I know. Traveling is exciting. It gives me inspiration.

Hajin: Inspiration for?

Kota: Inspiration to see new things and try new things.

The trip made me interested in Japanese history and culture.

For example, the tea ceremony was interesting.

Hajin: Yes, it was. But I prefer *okonomiyaki*. You can sit on a chair and enjoy it!
