

Eri and Hajin are practicing the piano:

Eri: I can't play with my left hand, so I want you to play the left hand part.

Hajin: OK

Eri: This is harder than I thought.

Hajin: Sorry, I can't get the timing right.

Eri: Don't worry. Let's do it slowly. Let's listen to each other more.

Later:

Tina: Hey guys, that sounds good.

Kota: You're in perfect harmony!

Hajin: Really? Thanks. Eri has been very patient with me.

Eri: I think we can do it. Thank you, Hajin.

Hajin: I'm glad I could help.
